

# CDS participation in ADASS

2019

**Fernique, P.**, Durand, D., **Nebot, A.**, **Boch, T.**, **Baumann M.**

*Connecting Space and Time in a Multi-messenger Landscape: STMOC behind the Scene. (Oral Contribution)*

Astronomical Data Analysis Software and Systems XXIX, a conference held at Groningen, The Netherlands, 6-10 of October 2019

**Pineau, F.-X.**

*ExXmatch : a Tool for Extremely Fast Cross-matches. (Oral Contribution)*

Astronomical Data Analysis Software and Systems XXIX, a conference held at Groningen, The Netherlands, 6-10 of October 2019

**Louys, M.**, **Bonnarel, F.**, Durand, D., Egner, A.

*Implementation feedback of the IVOA Provenance data model. (Poster)*

Astronomical Data Analysis Software and Systems XXIX, a conference held at Groningen, The Netherlands, 6-10 of October 2019

Molinaro, M., **Allen, M.**, Bertocco, S., Boisson, C., **Bonnarel, F.**, Catro Neves, M., Demleitner, M., **Génova, F.**, Morris, D., **Schaaff, A.**, Taffoni, G., Voutsinas, S.

*Integrating the VO framework in the EOSC. (Poster)*

Astronomical Data Analysis Software and Systems XXIX, a conference held at Groningen, The Netherlands, 6-10 of October 2019

**Derrière, S.**

*Coverage and lacunarity of astronomical datasets*

Astronomical Data Analysis Software and Systems XXIX, a conference held at Groningen, The Netherlands, 6-10 of October 2019

**Landais, G.**, **Schaaff, A.**, **Brouty, M.**, **Ocvirk, P.**, **Perret, E.**, **Pouvreau, T.**, **Vannier, P.**, **Lesteven, S.**  
*DOI registration for catalogs published in Vizier. (Poster)*

Astronomical Data Analysis Software and Systems XXIX, a conference held at Groningen, The Netherlands, 6-10 of October 2019

**Oberto, A.**, **Michel, L.**, **Mantelet, G.**

*Retrieving Complex Data in TAP services. (Poster)*

Astronomical Data Analysis Software and Systems XXIX, a conference held at Groningen, The Netherlands, 6-10 of October 2019

**Schaaff, A.**, D'Abrusco, R., Jenness, T., **Landais, G.**, Muench, A., Raugh, A., Rots, A., Schade, D and DCP Members

*IVOA Data Curation and Preservation IG effort around DOIs in astronomy. (Poster)*

Astronomical Data Analysis Software and Systems XXIX, a conference held at Groningen, The Netherlands, 6-10 of October 2019

**Boch, T.**, **Fernique, P.**, **Bonnarel, F.**, Chaitra, **Bot, C.**, **Pineau, F.-X.**, **Baumann, M.**, **Michel, L.**  
*hips2fits: fast generation of FITS cutouts from HiPS image datasets. (Poster)*

Astronomical Data Analysis Software and Systems XXIX, a conference held at Groningen, The Netherlands, 6-10 of October 2019

**Bisch, Y., Landais, G., Schaaff, A.**

*A new textual search engine to discover VizieR catalogues. (Poster)*

Astronomical Data Analysis Software and Systems XXIX, a conference held at Groningen, The Netherlands, 6-10 of October 2019

**Baumann, M., Boch, T., Fernique, P., Nebot, A., Pineau, F.-X.**

*Space and Time coverage maps in MOCPy. (Poster)*

Astronomical Data Analysis Software and Systems XXIX, a conference held at Groningen, The Netherlands, 6-10 of October 2019

**Allen, M.**

*The International Virtual Observatory Alliance in 2019. (Poster)*

Astronomical Data Analysis Software and Systems XXIX, a conference held at Groningen, The Netherlands, 6-10 of October 2019
